

# Embracing the New in a Changing World

The **Institute of Formation Fondacio Asia** prepares and equips young people for leadership, and helps them grow in their unique vocations, through nurturing their path of human and Christian formation.

It opens up an alternative career or life path, helps them engage with the peripheries, and to be in the mission to serve through the local church and civil society.

We invite young people to take the opportunity of IFFAsia's blended program; particularly applicants from the age of 23 to 38, motivated and committed to learn and serve.

**Scholarships available. Enrol now!**

"I find the Institute to be a wonderful source of formation for young Asian potential leaders. For the past 10 years, IFFAsia has been providing our ALUMNI with opportunities not only to discover themselves, appreciate and develop their skills, but also to grow in their faith and discover their own capacity to be witnesses of the evangelization of the Church. They also become catalysts in the development and transformation of their communities. I hope many more young people will take advantage of the formation program that IFFAsia is providing."

- Bishop Joel BAYLON, Diocese of Legaspi, Philippines, Chairman of IFFAsia
